

Global Engine Group Holding Limited Announces Closing of \$8 Million Initial Public Offering

SEPTEMBER 23, 2024

Winston & Strawn LLP represented R.F. Lafferty & Co., Inc., as underwriters counsel, in the connection with Global Engine Group Holding, an integrated solutions provider in information communication technologies, in the closing of its initial public offering, which closed on September 23, 2024. The Company has granted underwriters a 45-day option to purchase an additional ordinary shares at the IPO price, less underwriting discounts, to cover any over-allotments.
