

Eric Shinabarger Discusses the Cybersecurity Regulatory Landscape on *Nasdaq TradeTalks*

OCTOBER 4, 2024

Winston & Strawn associate Eric Shinabarger was featured on an episode of *Nasdaq TradeTalks*, a broadcast featuring conversations with top industry thought leaders on trends, news, and education. Eric was joined by Koryak Uzan, founder & managing partner of PRODAFT, and Christine Keung, partner at J2 Ventures, to discuss comprehensive solutions for cyber teams to play offense and defense and how privacy and security regulation is advancing.

During the discussion, Eric shares insights on how companies need to be flexible and understand their data flow with growing data and privacy regulations, how he is seeing the environment evolve due to exponential growth of data from emerging technologies, and more.
