

Anna Sonju

Associate

Washington, DC
+1 202-282-5083

Anna is a litigation associate in the firm's Washington D.C. office who focuses her practice on patent litigation and due diligence. With a B.A. in molecular and cellular biology, she uses her technical background to simplify complex intellectual property issues for clients.

Anna's patent litigation practice focuses on pharmaceutical and biotechnology industries, such as generic pharmaceutical and biosimilar products.

Anna is actively involved in pro bono work. In particular, she has worked on veterans' appeals and criminal justice reform.

Credentials

EDUCATION

Anna received her B.A. in molecular and cellular biology from Vanderbilt University in 2020. She earned her J.D. from the University of Virginia School of Law in 2024, where she was a member of the editorial board of the *Virginia Law Review*, and projects director for the *Virginia Environmental Law Journal*.
