

SPONSORSHIP

DECEMBER 4, 2024

Winston & Strawn sponsored the Markets Group's Real Estate Global Forum, a premier event that brought together leading figures in the real estate industry, including senior-level investment executives from corporate and public pensions, endowments, foundations, sovereign wealth funds, family offices, RIAs, and OCIOs.

As a closed-door forum, the event fostered insightful discussions on the challenges and opportunities shaping the real estate market today.

**KEY PANEL TAKEAWAYS**

- **State of the Market: The Great Reset** – Experts examined the evolving investment landscape, offering insights into navigating high interest rates, emerging buying opportunities, and expectations for 2025.
- **Building a Recession-Proof Portfolio** – Speakers shared strategies for hedging risk and reallocating investments to outperform during economic uncertainty.
- **Global Multifamily Market Overview** – Industry leaders highlighted trends, growth regions, and innovations impacting the multifamily sector.
- **Mind the Debt Gap** – Discussions focused on the state of real estate debt, lending conditions, and risks across asset classes and global economies.
- **Residential and Commercial Real Estate Insights** – Panels provided perspectives on opportunities and challenges in residential markets, as well as retail, office, and hospitality sectors.
- **Alternative Asset Classes and Niche Strategies** – Experts analyzed the performance of data centers, life sciences, industrial logistics, and other high-growth sectors.

Winston & Strawn is proud to support conversations that drive innovation and progress within the real estate industry. The forum served as an exceptional platform for collaboration and forward-thinking, aligning with our commitment to providing strategic guidance and support to real estate investors and managers worldwide.
