

Winston's Cycle for Survival Teams Crushed It: Raising a Record \$90,000 to Fight Rare Cancers

MARCH 11, 2025

In Winston's 10th showing at Cycle for Survival, five Winston teams collectively raised \$90,000 for the fight to find cures for rare cancers—a 20% increase over last year's record-breaking haul. This accomplishment is particularly impressive because we were down a team this year due to the wildfires in Los Angeles. The funds raised by Winston support Memorial Sloan Kettering Cancer Center's pioneering advances in cancer diagnostics and treatments for rare cancers, which account for nearly a quarter of cancer diagnoses worldwide.

Congratulations to the Winston riders, from coast to coast, who helped achieve this feat and thank you to everyone who donated to this important cause. Special kudos to our team captains and our Chicago team, which owned the Chicago leaderboard—coming in at #1!
