## Winston & Strawn Sponsors The Digital Chamber's DC Blockchain Summit 2025

MARCH 26, 2025

Winston & Strawn was a proud sponsor of the DC Blockchain Summit 2025 held on March 26 in Washington, D.C. Daniel Stabile, co-chair of the firm's Digital Assets Group, spoke on the "Battle of the Blockchains" panel during which the speakers engaged in a lively discussion about some of the most pressing legal and regulatory issues confronting Layer 1 protocols, including whether contemplated federal legislation adequately addresses issues such as decentralization.

Panelists included representatives from some of the most significant Layer 1 protocols, including Solana Labs, Ava Labs, and the Chia Network.
