

Winston Team Featured in Litigator of the Week Column

APRIL 25, 2025

A Winston & Strawn team led by partners Linda Coberly, John Schreiber, and Jeffrey Steinfeld was featured in the [Litigator of the Week column](#) by *The Am Law Litigation Daily* on April 25, 2025.

The recognition stems from the team's work to secure an en banc decision from the Delaware Supreme Court this week that handed a big win to their client, William "Bill" Brown, the former CEO of 3D spatial mapping company Matterport Inc. The court rejected the company's efforts to vacate a nearly \$80 million judgment Brown won after improper trading restrictions were put on stock he received as part of the company's de-SPAC transaction. The court also granted Brown's cross-appeal on post-judgment interest, finding that the Court of Chancery erred in using a lower interest rate in effect during the liability phase of the trial, rather than the higher interest rate in effect when damages were awarded—a win that could add \$5-10 million to Brown's total haul, taking it to nearly \$100 million.
