MAY 15, 2025 - MAY 16, 2025

Winston & Strawn is proud to sponsor PACENation Summit 2025 at the Citigroup Global Headquarters in New York City. The PACENation Summit is the flagship national and global conference for Property Assessed Clean Energy (PACE) financing professionals.

The event program includes extensive in-depth learning opportunities, with Winston & Strawn serving as the CLE accreditor for multiple panel sessions.

Pete Morgan, partner and co-chair of Winston's Structured Finance and Esoteric Finance practices, will be a featured speaker on the "Resolving PACE Delinquencies" CLE panel at 4:00 PM ET on Thursday, May 15. The panel will discuss how PACE administrators, capital providers, and other practitioners contend with property owners who have become delinquent on their property taxes and PACE assessments. Also discussed will be how to contend with property owners undergoing bankruptcy and property owners that are being foreclosed upon.

Structured Finance partner Sean Kelly will also be attending the conference.
