

# EBEC for Public Companies: Optimizing Strategy & Tactics

JUNE 18, 2025, 11:00 – 11:30 AM ET | 10:00 – 10:30 AM CT

As market conditions evolve, executive compensation and employee benefits have moved from routine HR matters to critical components of corporate strategy. Today, these programs directly influence investor confidence and long-term market positioning.

Join us for an in-depth thirty-minute webinar designed for public company leaders and legal, HR, and finance professionals. We will explore key trends, regulatory updates, and practical strategies to align your executive compensation and employee benefit plans with shareholder expectations and compliance standards in 2025.

## TOPICS

- Regulatory developments and SEC disclosure trends
- Board and shareholder engagement on EBEC matters
- Market benchmarks and peer practices

Gain the insights you need to keep your company competitive, compliant, and aligned with evolving market demands.
