

Monet Fauntleroy

She/Her
Managing Director
Practice Client Services and Innovation

New York
+1 212-294-5337

Monet is the Managing Director of Practice Client Services & Innovation at Winston & Strawn. She leads the firm's legal technology, digital experience, and data science initiatives, helping lawyers and business professionals deliver superior client service through innovative, data-driven solutions. As a member of the firm's AI Steering Committee, Monet works closely with firm leadership to align technology investments with business strategy, accelerate adoption of emerging tools, and drive operational efficiency.

She brings over 15 years of experience leading legal innovation, technology adoption, and client-focused transformation programs from across top Am Law 100 firms, with a proven ability to translate emerging technologies into practical business outcomes.

Activities

- Member: International Association for Artificial Intelligence and Law; Legal Hackers; International Legal Technology Association; American Society of Composers, Authors and Publishers
 - Volunteer, Brooklyn Technical High School Athletics Program
-
