

## Chambers Healthcare M&A 2025 Global Practice Guide - France

JUNE 16, 2025

*This article was originally published in Chambers and Partners Global Practice Guide "[Healthcare M&A 2025](#)." Any opinions in this article are not those of Winston & Strawn or its clients. The opinions in this article are the authors' opinions only.*

Winston & Strawn Paris lawyers, Gilles Bigot, Julie Vern Cesano-Gouffrant, Annie Maudouit and Edouard de Rancher contributed to the latest edition of the Chambers Healthcare M&A Global Practice France chapter.

The new Healthcare M&A 2025 guide covers over a dozen key jurisdictions and provides the latest legal information on market trends; establishing healthcare start-ups, including early-stage financing and venture capital; IPOs and private sales; spin-offs; acquisition of listed companies, including stakebuilding, documentation, squeeze-out mechanisms, certain funds requirements and deal protection measures; regulatory requirements, including antitrust, foreign investment review and data privacy concerns; disclosure obligations; and duties of directors.
