

## Leaders League Alliance Summit: Law & Innovation

JUNE 10, 2025

Winston & Strawn proudly sponsored Leaders League's 2025 Alliance Summit: Law & Innovation, hosted in Miami on June 10, 2025.

Partner and Chair of the firm's FinTech, Banking, and Payments Group, Juan Azel was a featured co-panelist on the session titled "Navigating Complexity: M&A Strategies in Regulated Industries."

During the discussion, Juan shared his insights on the unique challenges and strategic considerations involved in mergers and acquisitions within highly regulated sectors such as healthcare, energy, financial services, and telecommunications. The discussion covered how regulatory scrutiny, compliance obligations, and political dynamics impact deal structuring, due diligence, and post-closing integration. It also highlighted best practices for engaging with regulators, mitigating risk, and ensuring deal success in complex legal and regulatory environments. The session drew on real-world examples and insights from experienced practitioners to equip dealmakers with practical tools for navigating high-stakes transactions in regulated markets.

*Leaders League* is dedicated to connecting business leaders throughout the world with market analysis, trending news and expert insights through its international intelligence reports, international conferences, media and digital products focused on the legal, financial, corporate, innovation and technology sectors.
