

## Winston & Strawn Sponsors the Private Markets Secondaries Meeting East

JULY 16, 2025

Winston is proud to sponsor the Private Markets Secondaries Meeting East. This meeting brings together leading senior institutional investors and secondaries investment professionals to explore the latest trends and transactional opportunities in the secondary market.

Justin Levy, private equity partner, will moderate the panel, “The New Era of GP-led Transactions.” Along with notable fund managers, he will discuss the growth of syndications for continuation vehicles and dedicated CV funds as well as effective strategies for using leverage.
