## Winston Earns Outstanding Rankings on *AmLaw* Pro Bono Scorecard

JULY 9, 2025

We are proud to announce that Winston earned two of our best rankings ever on *The American Lawyer's* National and International 2025 Pro Bono Scorecards.

- **In the U.S., we ranked No. 12** on the National Pro Bono Scorecard, an increase of three places from last year. This is the seventh year in a row that Winston has achieved top 15 status in the U.S., which is a longstanding strategic priority for the firm.
- **Outside the U.S., our offices collectively ranked No. 12** on the International Pro Bono Scorecard, moving up seven places from last year. Winston has ranked in the top 20 on the International Pro Bono Scorecard every year since its inception seven years ago.
- **Winston ranked No. 4** for the percentage of U.S. lawyers who contributed 20 or more hours.

Winston's reputation as a premier pro bono firm would not be possible without the generosity of spirit demonstrated by our lawyers, paralegals, and business professionals who contributed nearly 70,000 pro bono hours in 2024 on behalf of more than 1,000 clients.
