

Winston & Strawn Speaks at the SFA Research Symposium 2025

JULY 30, 2025

Pete Morgan, partner and Co-Chair of Winston & Strawn's Structured Finance and Esoteric Finance practices, is proud to serve as a featured speaker at the Structured Finance Association (SFA) Research Symposium 2025 at PwC's offices in New York. This full-day event will explore the ideas, innovations, and regulatory shifts reshaping the future of securitization and the credit markets.

Pete's panel, titled "Global Credit Markets in Transition", will provide attendees with a macro perspective on capital flows, financial intermediation, and the expanding role of private credit.
