

Winston & Strawn Sponsors the Private Equity Chicago Forum

AUGUST 5, 2025 - AUGUST 6, 2025

Winston & Strawn is proud to sponsor both the Private Markets Secondaries Meeting East and the 4th Private Equity Chicago Forum. This forum brings together senior executives from leading pension funds, endowments, foundations, consultants, family offices, and private equity firms to discuss the latest trends shaping private market allocations, fund selection, value creation, and strategic partnerships.

Scott Naidech, funds co-chair and partner, will moderate the panel, "Pathway to Liquidity." Along with notable fund managers, the panel will explore strategies for realizing value through various exit pathways in private equity, including public offerings, strategic sales, and secondary markets. Scott will also interview the Co-Founder, Co-CEO, and Co-CIO of Gryphon Investors as a keynote portion of the program.
