Jason Campbell Named Among *Daily Journal's* Top Labor & Employment Lawyers 2025

AUGUST 5, 2025

Winston & Strawn Los Angeles Labor and Employment Practice chair Jason Campbell was selected as one of *Daily Journal's* Top Labor & Employment Lawyers of 2025. This honor recognizes attorneys who have done outstanding work in their practice area and contributed to bettering California's legal industry.

Jason discussed his practice with the publication: "An employment law practice appealed to me because employment lawyers are often just as focused on day-to-day problem-solving as we are on winning a particular piece of litigation...Winning a lawsuit is table stakes, but helping clients comply with the law and solve problems before they get to litigation is equally, if not more, important."
