Winston Partners Featured as Leaders in Law in The Secured Lender

SEPTEMBER 11, 2025

Winston & Strawn partners Jordan Klein and Jason Bennett have been recognized in the September issue of *The Secured Lender* as Leaders in Law. This annual feature highlights the indispensable role attorneys play in shaping the secured finance industry—serving not only as advisors, but also as architects of the frameworks that allow businesses to access and deploy capital.

Jordan and Jason's selection showcases their deep experience in structuring complex asset-based lending agreements and guiding clients through every facet of secured finance.
