Winston Featured on the 2026 *Lawdragon* 500 Leading Corporate Employment Lawyers List

SEPTEMBER 24, 2025

Winston & Strawn lawyers have been named to the 2026 *Lawdragon* 500 Leading Corporate Employment Lawyers list. Now in its 19th edition, this guide recognizes the nation's top advisors across the full spectrum of employment and labor law — from employee benefits and executive compensation to traditional labor matters, immigration, and a wide range of litigation and arbitration, including wage and hour class actions, discrimination, trade secrets, and non-compete disputes.

Lawdragon selects honorees through a rigorous process that combines journalistic reporting, nominations, and input from peers and clients. We are proud of our lawyers' continued recognition as trusted advisors and advocates in this critical area of the law.
