AI in Action: Legal Strategies for Healthcare Innovation

NOVEMBER 13, 2025, 4:00 PM – 6:00 PM CT

We are bringing together stakeholders across the healthcare ecosystem—from front-line providers to financial backers—for a panel discussion on AI in healthcare.

The discussion will explore how healthcare providers can responsibly and strategically integrate AI into their operations. Our panelists will cover practical strategies for adoption, focusing on governance, compliance, and risk management, as well as real-world applications in patient communication, billing, and diagnostics. The session will offer a comprehensive framework for healthcare organizations to leverage AI technologies while navigating complex legal and regulatory challenges.
