

## Jennifer O'Brien

Director  
Legal Technology and Innovation

New York  
+1 212-294-3510

As Director of Legal Technology & Innovation, Jen leads a team dedicated to implementing and accelerating the adoption of transformative legal technology and AI solutions. With more than 25 years of experience in the field, she drives initiatives that align technology with business objectives to solve complex challenges and deliver measurable impact. Her work centers on applying innovative technologies to streamline workflows, reimagine processes, and enhance productivity across the firm.

Jen has led strategic technology initiatives within several Am Law 100 firms, applying deep insight to align technology and AI with lawyer workflows and firm priorities. She has extensive experience in optimizing advanced technology platforms to maximize efficiency, strengthen client value, and support long-term business goals.

## Credentials

### EDUCATION

Jen received her B.A. in Environmental Studies from the University of Buffalo and an M.S. in Environmental Science from Pace University.
