

Abhay Kumar Ram

Associate

Houston
+1 713-324-7518

Abhay is a litigation associate in the firm's Houston office, having joined through the Summer Associate program. He leverages his technical background to advise clients across a broad range of matters.

During his time at the University of Texas School of Law, Abhay served as an online editor for *The Review of Litigation*, an articles editor for the *Texas Intellectual Property Law Journal*, and a student attorney in the Texas Law Criminal Defense Clinic.

Prior to law school, Abhay worked as a software engineer supporting the design, development, and DevOps of a large-scale distributed data transfer and business infrastructure application. Abhay graduated from the University of Texas at Austin in 2021 with a B.S. in Arts and Entertainment Technologies with honors, concentrating in Video Game Development, and earned a Certificate in Elements of Computing. Abhay has a working knowledge of several programming languages including Java, JavaScript, Elixir, C#, and Python.

Credentials
