

Ying Bao

Associate

Chicago
+1 312-558-3603

Ying's practice spans transactional, regulatory, and technology-driven matters. Ying brings experience from both law firm and in-house environments, with a focus on fund formation, asset purchase agreements, and compliance with federal and international regulations.

Ying's background in business, mathematics, and data analytics, combined with hands-on engineering and project management experience, enables a practical and innovative approach to client challenges.

Credentials

EDUCATION

Ying received a Juris Doctor from the Washington University School of Law. She also earned a Master of Management Studies (STEM) from Duke University Fuqua School of Business and both B.S. and B.A. degrees from the University of Connecticut.
