

Bobby Malhotra Speaks on Legal Data Intelligence Webinar

DECEMBER 11, 2025, 1:00 PM - 2:00 PM ET

Bobby Malhotra, chair of Winston's eDiscovery & Information Governance Practice, will be a panelist on the "Legal Data Intelligence: Turning Contract Management into a Strategy for Business Enablement" webinar. Join Bobby for an in-depth discussion on how Legal Data Intelligence can transform contract management into a strategic driver for business enablement. This CLOC webinar will explore practical approaches to leveraging data, technology, and process improvements to accelerate business outcomes and reduce risk.
