

## Winston & Strawn Represented CFS Brands in its Acquisition of Cornerstone Foodservice Group

NOVEMBER 26, 2025

Winston represented CFS Brands, a portfolio company of TJC, in its acquisition of Cornerstone Foodservice Group, a global leader in foodservice equipment serving both front and back-of-house applications.

Based in Oklahoma City, CFS Brands is a leading manufacturer of products for the food service, healthcare, and hygiene industries. This transaction significantly expands CFS's portfolio of quality-focused foodservice solutions to include Cornerstone's well-recognized brands— including Spring USA induction cooking and buffet equipment, LloydPans pizza and baking products, and Versa-Gard food protection systems. Headquartered in Naperville, Illinois, with manufacturing operations across multiple U.S. locations, Cornerstone brings complementary capabilities and innovative product lines that strengthen CFS Brands' position as a leading provider of foodservice solutions worldwide.
