

Jane Perov

Practice Attorney

New York
+1 212-294-4651

Jane focuses her practice on advising companies in the technology and finance sectors, with a particular emphasis on digital assets and emerging technologies. Her work includes counseling clients on venture capital investment, commercial transactions, and navigating the rapidly evolving regulatory landscape for digital assets.

Jane's work also includes co-authoring industry policy reports on airdrops, advising on securities and commodities law compliance for Web3 businesses, and supporting clients through SEC enforcement actions and regulatory inquiries.
