

David Love

Partner

David represents private equity sponsors and borrowers in connection with debt financings.

David's practice focuses on sponsor-side leveraged finance, where he advises private equity sponsors and their portfolio companies on acquisition financings across both the large-cap and middle-market segments. He brings a strong background in leveraged finance and works closely with sponsors and borrowers on complex financing structures, drawing on experience gained from representing sophisticated private equity clients in a wide range of transactions.

Key Matters

Some of the experience represented below may have been handled at a previous firm.

- Acquisition financing in connection with a cross-border \$4 billion take-private buyout of a technology company by a leading private equity firm.
- A \$2 billion refinancing of an existing private equity sponsor-owned software technology company.
- Acted as borrower's counsel to a leading private equity firm in connection with the acquisition financing for a specialty food company. The credit facilities consisted of a \$80 million term loan, a \$25 million revolving credit facility, and \$40 million of delayed draw term loan commitments.

- Represented a private equity firm in connection with credit facilities used to refinance the existing debt of a specialty healthcare provider. The credit facilities included a \$300 million term loan facility, \$50 million revolving credit facility and a \$95 million delayed draw term loan facility.
- Represented a private equity firm as borrower's counsel in connection with a \$250 million financing in connection with the acquisition of a manufacturer of office supply equipment.
- Represented a sponsor portfolio technology company in connection with the refinancing of its \$200 million credit facility.
