

## Winston Represents Century Park Capital Partners In Its Exit of MCCi

JANUARY 21, 2026

Winston represented Century Park Capital Partners and its portfolio company MCCi, LLC, in connection with an investment by Incline Equity Partners in MCCi. MCCi is a provider of enterprise content management and workflow automation solutions to public sector clients with a comprehensive suite of products that enable state and local governments to solve manual workflow challenges and drive operational efficiency throughout their organizations. Under Century Park's stewardship, MCCi strengthened its position as a leader in business process automation while maintaining its culture of exceptional customer service.
