

Aparna Sehgal Featured in Q&A with *IFLR*

MARCH 3, 2026

Winston & Strawn partner Aparna Sehgal was featured in a Q&A with *IFLR*, where she discussed UK and European structured real estate finance market opportunities. Aparna shared insights into the biggest challenges her clients are facing and how these challenges are shaping deals, how her team is adapting to capture new opportunities, and trends she sees driving activity in 2026.

“Clients want to close good deals with strong, defensible returns, so the capital stack is becoming more layered and sophisticated,” she said of challenges clients are facing. “This is shaping how transactions are structured and driving demand for clear, strategic legal support.”
