

Clarity Before CLARITY: Inside the Joint SEC and CFTC Digital Asset Guidance

MARCH 23, 2026, 1:00 PM - 1:30 PM ET

After years of enforcement-driven uncertainty, the SEC and CFTC have issued landmark joint interpretive relief that reshapes the regulatory framework for digital assets.

Join us as we walk through what the guidance covers, what it leaves unresolved, and the practical implications for your business and compliance strategy.
