MARCH 18, 2026

The offering consisted of 10,000,000 units priced at \$10.00 per unit, with each unit comprising one Class A ordinary share and one right. Each right entitles the holder to receive one-fourth (1/4) of one Class A ordinary share upon the consummation of the Company's initial business combination.

The proceeds from the offering will be placed in a trust account to support BHAV Acquisition Corp's strategy of identifying and completing an initial business combination, providing investors with exposure to a potential high-growth operating business. The units are expected to trade on the Nasdaq Global Market under the ticker symbol "BHAVU," with the Class A ordinary shares and rights expected to trade separately under the symbols "BHAV" and "BHAVR," respectively.
