Winston Sponsors Sport Resolutions Conference 2026

7 MAY 2026

Winston is pleased to sponsor the annual Sport Resolutions Conference, which will take place at the Leonardo Royal London St Paul's Hotel.

Marking the tenth year of our support, the conference brings together leading sports professionals, lawyers, and industry experts to examine the most pressing legal and regulatory issues facing sport today. Through a series of panel discussions, the conference will explore key topics including anti-doping, athlete welfare, governance, integrity, and financial regulation in sport.

CONFERENCE TOPICS

The announced sessions include:

- The Risk of Suicide in Professional Sport: Risk, Responsibility & Hope
- International Federations in a Complex World: Law, Governance & Global Strategy
- Spending Limits in Sport: Purpose, Enforcement & Legal Realities
- WADA Code 2027 and the Rise of SARMs: What You Need to Know

Partner Adam Dale will speak on the panel, "Spending Limits in Sport: Purpose, Enforcement & Legal Realities." Salary caps and cost-control mechanisms are now a feature of many sports and leagues worldwide, governing how much can be spent on players, talent, and technology. This panel will examine the rationale behind these mechanisms, how they are enforced, and the practical and legal challenges involved in implementing and maintaining effective spending-control systems.
