

## Winston advised Tikehau Investment Management on the acquisition of a majority stake in GMP Group.

MARCH 30, 2026

Winston & Strawn LLP Paris advised Tikehau Investment Management on the acquisition of a majority stake in GMP Group.

With over 50 years' experience, GMP Group is a recognised leader in high-precision machining and advanced technologies. Based in Haute-Savoie, the group works with major clients in the aerospace and defence industries.

This transaction marks the third acquisition under the latest iteration of Tikehau Capital's Aerospace & Defence private equity strategy.
