

Aimee Fagan Joins Winston in Dallas

APRIL 24, 2026

Winston & Strawn recently announced that Aimee Fagan has joined the firm's Dallas office as a partner in the Litigation Department and a member of the Intellectual Property Practice. Aimee is a first-chair trial lawyer whose practice focuses on intellectual property and complex commercial litigation. She represents clients in high-stakes disputes, with significant experience in technology and IP matters, particularly within the energy sector, as well as across the technology, financial services, private equity, medical, and retail industries.

"IP was a core priority of the firm and that really mattered to me," Aimee told *Texas Lawyer*. "It is nice to go somewhere where you can put a little bit of your stamp on it. People are very welcoming and open to hearing ideas, thoughts, suggestions," she added.

"Aimee is a well-known practitioner in Texas with a strong reputation, and she will bring considerable trial experience and leadership to the Dallas office," Dallas Co-Managing Partner and Litigation Department Co-Chair Brett Johnson said in the [press release announcing her arrival](#). "We couldn't be more excited to welcome Aimee to the team."
