

Winston advised the management team of TRIGO, a global leader in quality management services for the transport sector

APRIL 28, 2026

Winston & Strawn LLP Paris advised the management team of TRIGO, a global leader in quality management services for the transport sector, in connection with Montyon Capital's acquisition of a majority stake and the management buy-in.

Founded in 1997, Trigo is a leading provider of inspection, quality engineering and industrial performance management services, serving major players in the automotive, aerospace, defence, rail and heavy transport sectors.
