

Winston & Strawn Recognized by *Chambers Europe* 2016

APRIL 22, 2016

A number of Winston & Strawn practices and attorneys were recognized in *Chambers Europe* 2016.

Winston was recognized as Highly Regarded in Dispute Resolution: Litigation in France. In describing the practice, clients told the publication that “the team is available and quick to respond; the lawyers really get involved in the matters” and that they appreciate the “decisive intervention by a team of lawyers with strong expertise.”

Partner Peter Crowther is recognized in the UK Competition Law category and is noted for his experience in merger control, cartels, and state aid, as well as EU and trade/sanctions law.
