

## Winston & Strawn Recognized in 2016 *IAM Patent 1000* Rankings

MAY 26, 2016

Winston & Strawn's Intellectual Property Practice is recognized in the 2016 *IAM Patent 1000* rankings, including 19 partners listed as leaders in patent law. Winston is one of only 21 firms recommended in the national patent litigation category.

*IAM* states that the 180-plus attorneys making up Winston's patent infringement team boast "impressively muscular contentious capabilities" and that the firm "towers over the national patent litigation scene."

The firm's offices in California, Illinois, New York, Texas, and Washington, D.C. were recognized in the regional rankings:

- **California:** Winston "has worked hard to build up its California practice and has enjoyed particular success in doing so since opening in Silicon Valley nearly three years ago."
- **Chicago:** "Premier outfit Winston & Strawn 'does a terrific job litigating at a reasonable price and is flexible when it comes to engagement and billing arrangements.' 'It is a formidable firm with a stable of brilliant litigators who will clean your clock if you're not careful.'"
- **New York:** *IAM* notes that Winston has "sophisticated, motivated trial attorneys on each coast" and that all of the firm's practice groups are represented in its New York office. "The local IP team is robust on either side of the contention/non-contentious divide, and litigators and prosecutors are both represented on the *IAM Patent 1000* tables."
- **Texas:** The firm's Houston office "remains a redoubtable outfit and a major player in the oilfield industry in particular."
- **Washington, D.C.:** "Winston & Strawn has one of the best ITC practices in the country."
