

Preparing for OCI

JUNE 2, 2014

With final exams wrapping up and summer programs underway, it's easy to feel like OCI is a million miles away – but it's not! Now is the time to start working on your resume and identifying ways to strengthen your interviewing skills. Many career services offices coordinate mock interview programs and other networking opportunities with law school alums throughout the summer. Take advantage of these programs! The connections you make will prove invaluable during on-campus interviews, as well as down the road in your legal career.
