

Winston Sponsors Airline Economics Growth Frontiers Dublin 2017

JANUARY 15, 2017

Winston & Strawn sponsored Airline Economics Growth Frontiers Conference held on January 15-18, 2017, in Dublin, Ireland. Now in its fifth year, the conference aimed to bring together airline and aviation industry professionals from across the globe with a focus on RFP's for finance and leasing. The 2017 conference covered the following key topics:

- Macro-Economic and Political Dynamics
- Fuel Prices and the Environment for Fuel Hedging
- Global Taxation Environment Outlook for Investors in Aircraft and Engines
- Engine Investment
- The Financial Health of Airlines and the Outlook for 2017
- Capital Markets Outlook
- Investing in mid to Late Life Aircraft and Engines
- Aircraft Valuations and Remarketing Outlook
- The Continued Evolution of Commercial Operating Leasing
- Aviation Finance Leasing and Investment in 2017
- Helicopter Investment, Finance, and Leasing
- Sidecar and Joint Venture Vehicles Attached to Leasing Companies
- Aircraft Valuations and Remarketing/Investing in Aircraft and the Robustness of the System
