Since 1995, Winston & Strawn's Paris office has provided a wide range of transactional and litigation legal services to its clients. Our Paris attorneys are multilingual and multicultural. Many of them have gained professional experience abroad and are well-versed in managing the cultural and legal nuances often present in legal matters involving multiple jurisdictions. They

are recognized by *The Legal 500 EMEA*, *Leaders League*, *Best Lawyers*® in France, and *Palmares du Droit*.

Winston's Paris office accepts applicants to our legal internship program year-round. Our *stagiaires* receive first-rate training under the supervision of an experienced team of attorneys within a full-service office that is manageable enough in size to be accessible and welcoming. Through this program, participants become involved in the work of a large international law firm that is recognized among the top law firms in France, in Europe, and worldwide; work with teams who excel at managing strategic and sensitive matters; develop autonomy and a sense of responsibility while benefiting from shared experiences and knowledge; and are part of an educational, stimulating, and innovative legal environment. Interested applicants should send a cover letter, resume, and any letters of recommendation to [stagesparis@winston.com](mailto:stagesparis@winston.com).

“ Our office is proud of its collaborative and inclusive culture. Our team of talented attorneys are listed among the top in virtually all of their practice areas and delivers our clients an unsurpassed service. ”
