Opened in 2003, Winston & Strawn's San Francisco office is located in the financial district, just down the road from the Bay Area's technology epicenter. Our team—now 25+ lawyers strong—keeps a finger on the pulse of the rapidly evolving financial services and technology sectors, and offers support across a wide spectrum of services, including antitrust/competition, commercial

litigation and disputes, government investigations and compliance, intellectual property, labor and employment, mergers and acquisitions, and product liability. The San Francisco team works seamlessly with lawyers and departments across the firm's global network to ensure the highest quality service to our clients. With a culture that represents the Bay Area's innovative spirit, our lawyers are regularly honored with high-profile awards and frequently recognized by publications, such as *Chambers USA*, *The American Lawyer*, the *Daily Journal*, and *The Recorder*.

The entrepreneurial spirit we cultivate not only influences our work but also our efforts to give back. Our attorneys and business professionals work side-by-side on community initiatives such as the Bar Association of San Francisco's Food From The Bar campaign, Cycle for Survival, and the One Warm Coat drive. We also carry this sense of social responsibility into our office by expanding access to opportunity and building a deep pipeline of legal talent of individuals from all backgrounds, experiences, and perspectives.

### **SUMMER ASSOCIATE PROGRAM**

Winston's Bay Area offices provide Summer Associates with formal hands-on training through attorney-led workshops that cover legal writing and arguing a motion. In addition, Summer Associates gain valuable insights into the firm's Litigation Practice through practice group-sponsored lunches. Beyond professional development, the Bay Area offices host a variety of social events throughout the summer. Past activities have included a Giants game at Oracle Park, a day trip to Napa, a walking food tour, and go-karting. It's the perfect balance of learning, networking, and unforgettable experiences!

“Winston's San Francisco office has a really strong, collegial culture and we genuinely enjoy each other's company, which creates an ideal work environment. It feels like one big team where everyone is rooting for each other's success.”

Rachel McCauley, Associate, San Francisco
