Winston's London office acts as a hub for our cross-border clients and advises a range of emerging and global companies, corporates, financial institutions, and private investors on domestic and cross-border matters. Our legal practices include corporate, M&A, private equity, capital markets, banking and finance, restructuring, litigation and disputes, international arbitration, antitrust and competition, and tax. Practitioners based in London include not only lawyers

who are recognized as leaders in their fields but also a diverse group of international professionals, many of whom are bilingual and dual-qualified. Our global platform enables our London lawyers to quickly marshal relevant experience across practices and offices.

Our London office is dedicated to creating an inclusive environment—both in and outside of our office. We strive to create a collegial, open-minded workplace by recruiting and retaining promising, diverse legal talent from all backgrounds, experiences, and perspectives. The team in London regularly gives back to their communities through various local initiatives and pro bono services, including hosting career guidance presentations and trainee-lawyer panel discussions.
