SUMMER ASSOCIATE PROGRAM

The Charlotte office provides Summer Associates with formal hands-on training through attorney-led workshops that cover legal writing, corporate negotiations, and arguing a motion. Summer Associates gain in-depth insights into the firm’s Transactions and Litigation Practices through practice group Lunch & Learn sessions. The Charlotte office also hosts several summer program social events, which have included a Charlotte Football Club soccer game, a Broadway show at the Belk Theater, and whitewater rafting. It’s the perfect balance of learning, networking, and unforgettable experiences!

“Winston will give you everything the other large firms will—high-stakes work for large clients—but it is the people that set Winston apart. From the staff to the attorneys, there is no one at Winston who is not committed to associates’ development and success.”
