

IMO Marine Environmental Protection Committee Updates Guidance For Oil Record Books Part I

OCTOBER 11, 2011

This week the International Maritime Organization's Marine Environmental Protection Committee released an update to its Circular MEPC.1/736, Guidance for the Recording of Operations in the Oil Record Book Part I – Machinery Space Operations (All Ships). The update reflects a few miscellaneous clarifications and corrections rather than any significant amendments. The update was prompted by recommendations from Denmark and India.
