

Chicago Alumni Get New Take on Legal Ethics

MAY 26, 2017

Winston's alumni program hosted a breakfast and CLE presentation at the Chicago office on May 23. More than 55 current attorneys and alums had time for casual conversation before Chicago Office Managing Partner **Linda Coberly** formally welcomed attendees and set the stage for the program speakers.

Litigation Partner **Larry Desideri** led the CLE presentation, titled "Legal Ethics – The 'Hollywood' Perspective." Using clips from well-known movies about the law, they discussed real-life legal ethics dos and don'ts in the areas of the attorney-client relationship, attorney competence, misrepresentation of facts in negotiations, and spoliation/document destruction.

We look forward to seeing our alums at future events in Chicago and across the country.
