

Summer Associates Attend Leadership Program at Altria

JUNE 20, 2017

Winston was one of five law firms that participated in a diverse summer associate leadership experience hosted by client Altria's Law Department.

The day began with a welcome breakfast at Altria's headquarters in Richmond, Virginia, followed by a tour of the Philip Morris Manufacturing Center, lunch with members of the Altria Law Department, and two panel discussions.

Chicago summer associates **Christopher Parker** and **Amelia Garza-Mattia**, New York summer associate **Daphny Lazarus**, and Washington, D.C. summer associate **Halima Nguyen** appreciated the opportunity to hear from Altria senior corporate leaders about what it takes to succeed in a law firm and become a valued outside counsel.

"It was incredible at this stage of my career to have the opportunity to hear from diverse attorneys about their experiences and hear their perspectives on leadership."

"Being able to attend the program reaffirmed my belief that Winston is committed to enhancing diversity and inclusion within the firm, and leading by example within the broader legal community."
