

Papavizas Discusses Jones Act Waivers at *Tugs & Barges 2012 Conference*

MAY 8, 2012

Winston & Strawn partner [Charlie Papavizas](#), based in the firm's Washington, D.C. office, spoke at Marine Log's *Tugs & Barges 2012 Conference & Expo*. This conference addressed critical issues impacting market development and the design, construction and operation of vessels.

Mr. Papavizas presented "Recent Developments in Jones Act Waivers" on May 8, 2012. Other topics discussed at the conference included:

- Pollution liability: Unique issues presented by tugs and barges
- Safety and operational efficiency on the inland rivers
- Vessel General Permits update: Accidental discharges and biolubes
