

## David Enzminger Speaks at IP Defense: Silicon Valley 2014

OCTOBER 16, 2014

Winston & Strawn partner [David Enzminger](#) spoke at [IP Defense: Silicon Valley 2014](#) on October 16. Winston & Strawn also sponsored the conference.

Mr. Enzminger presented “Defensive Trial Strategies: Preparation Management & Strategy.” Defending IP cases can pose unique challenges when you go to trial, as the material is complex and new to jurors. This may be the first time that senior management is involved in this type of trial and the stakes can be high. What are the best ways to manage the trial and how can you run it so that you achieve your goals?

This panel examined:

- What are the risk factors?
- How strong is their case, *really*?
- Working with outside counsel
- Settlement & post-trial strategy

David Enzminger is managing partner of Winston & Strawn’s Silicon Valley office and focuses his practice on technology litigation, emphasizing patent, trade secret, trademark, and antitrust matters.
