

Laurae Rossi Named Project Finance Attorney of 2016

MAY 25, 2017

Renewable Energy Finance Partner Laurae Rossi was recognized by *Power Finance & Risk* as “Project Finance Attorney of 2016” at the [14th Annual Deals and Firms of the Year Awards](#). Winners in the 25 categories were selected through an industry survey that identified the most innovative and impressive market players.

Laurae represents both lenders and sponsors in energy project financings, energy tax equity partnerships, and energy acquisitions, particularly in connection with projects involving renewable energy sources.

Winston was also recognized in the “North America Renewables Project Finance Deal of 2016” category for its work on the ArcLight Capital Partners’ Leeward wind portfolio.
