Winston & Strawn's Energy Practice Included in FT's "US Innovative Lawyers 2012"

NOVEMBER 29, 2012

Winston & Strawn was included in the *Financial Times* US Innovative Lawyers 2012, which ranks law firms that are bringing fresh thinking and practices to solving business problems in America. This is the third year that the *Financial Times* has produced the special report.

Winston & Strawn's energy practice received a highly recommended ranking and was highlighted for devising a legal structure that helps create a new approach to the development and operation of combined-heat-and-power facilities in California.
